

Volvo Trucks North America, Inc.

November 2, 2009

Dear Mr.

This is in reply to you requesting a statement of our position regarding the use of your Bypass Filtration system on our equipment.

Volvo Trucks North America neither approves nor disapproves any product(s) not manufactured or sold by Volvo Trucks North America. The use of your products on our vehicles do not in and of themselves void the warranty, but any damage which may result from their use might not be covered under warranty as a warrantable failure.

Regards,
